

**Be a part of the Chain Lynx Composite Mountain Bike Team  
by offering your support as a team sponsor!**

The Chain Lynx Composite Mountain Biking Team is made up of 7th & 8th grade girls and boys in the Sandy / Draper area. As the popularity of this sport has grown, so has our team. We expect to have around 70 student riders this upcoming season and as many as 50 adults as coaches and ride leaders. We focus on building self confidence and positivity as we teach these kids to have fun while working hard in the mountains. It is also our goal as a team to raise courteous and respectful riders that will contribute in a positive way to the outdoor community. We emphasize the importance of being respectful to the trails we ride by requiring all riders to volunteer in the maintaining of the trail systems in our community.

We believe that everyone should have an opportunity to learn to mountain bike by being 100% inclusive to all who are interested. Your support will help build a scholarship fund and purchase loaner bikes for families who would benefit from the financial assistance. Donations will also be used to support the team with everything from training adults to safely lead the groups, to team essentials for practices and race days.

Your support can have a lasting affect on the youth in our community by enabling more kids the opportunity to learn skills that can benefit them for the rest of their lives through mountain biking. You will also have the opportunity to build brand awareness amongst an ever-growing group of league supporters and participants. The Utah Mountain Bike League is the largest NICA league in the nation. Our races have thousands of participants, supporters, and fans in attendance. Not to mention that it's also super cool to be on a mountain biking team. You can see our riders sporting their sweet team gear and apparel, both on and off the bikes, all over town. Let your logo be seen and appreciated in the community by donating to these young athletes as they learn first hand the benefits of community support by your good example.

We are a 501(c)(3) non profit entity, so your donation is 100% tax deductible. Please mail us the form on the back so we can thank you appropriately and mail you your tax deductible receipt.

**We will gladly accept donations anytime! However, if you are excited about seeing your company logo on our team gear, we need to know by April 20th.**

Thank you!
